

## Pupil Premium allocation 2020/2021

**Burnage Academy for Boys will receive £323,745 of additional pupil premium funding in the year 2020 to 2021. The action plan below sets out how the school plans to spend this funding in order to raise the attainment and progress for the cohort of the school entitled to pupil premium funding.**

Priority: To raise attainment in the pupil premium cohort of the school					
Success Criteria:					
a) Pupil premium attainment and progress will match the attainment and progress of all pupils.					
b) The gap in attainment and progress between pupil premium and all pupils will be reduced in subject areas where there is one.					
c) Teaching and learning will improve in the key areas identified in the school improvement plan.

--------------------	---

There is a carry forward due to the disruptions caused by Covid -19 lockdowns. The pandemic resulted in certain interventions and support not being able to go ahead as planned as they were school based. The amount of £19665 will be added to next years' budget and used in the academic year 2021/22 to raise the achievement of the disadvantaged students.
