Invitation letter for parents of children aged 12 to 15 years of age: Burnage Academy for Boys

Dear Parents/Guardians

COVID-19 vaccination for children aged 12 to 15 years of age

I am writing to inform you that we will soon be offering the second round of COVID-19 vaccinations at Burnage Academy for Boys.

The main purpose of the COVID-19 school age vaccination programme is to provide protection to the children who receive the vaccine and may help to reduce transmission of COVID-19 in the wider population.

This vaccination will be free of charge and our highest priority is making it as easy as possible for children to access either their first or second dose. During the vaccination delivery we will maintain the range of measures we have in place to keep you safe from COVID-19.

Vaccinations will take place on Thursday 3rd February and consents must be returned by Thursday 27th January. Please be aware that the minimum time period between a first and second dose or from a positive Covid-19 infection is 12 weeks. Please do not complete the form if this applies to your son.

If your son wishes to have their vaccine, please ensure a parent/guardian completes and returns the [E-consent form](#) by the agreed deadline (27th January). **Please note that consents received after this time will not be processed and we will be unable to administer the vaccination to your son. The form works best when accessed through google chrome.**

Should you be unable to complete the consent form electronically, your son will be able to request a paper consent form from his Form Tutor.

By consenting you will be helping to play your part in reducing the risk of COVID-19 spreading.

Yours sincerely,

Denise Gaston
Clinical Head of Service School Health
