

KS3 Remote Learning for Wednesday 1st February

We are using the Oak National Academy to support remote learning:

<https://classroom.thenational.academy/subjects-by-key-stage/key-stage-3>

Each topic is suitable for pupils across Year 7, 8 and 9 and contain a number of lessons allowing pupils to choose the most appropriate resources for them. Every lesson includes an instructional video to watch, along with activities to complete. Pupils can complete as much or as little as they like from each topic to support their own learning and circumstances.

KS3 English

There are 4 possible lessons exploring creative writing skills:

L1: What makes a good short story?

L2: Narrative structure

L3: Developing character

L4: Figurative language

<https://classroom.thenational.academy/units/creative-writing-short-stories-cb59>

KS3 Maths
