5th January 2021

Dear Parent / Carer,

We hope you are safe and well in these difficult times. The news of another national lockdown shows how serious the situation across the country is and we must work together to ensure our communities are safe.

Remote Learning

We know that you will be concerned about the prospect of no school for a period of time but please be assured that our remote learning offer will support your son to keep making progress at home. Lessons will be uploaded to Microsoft Teams, as per your son's timetable. Some teachers will provide live commentary to the lesson, some teachers will use a pre-recorded PowerPoint, all teachers will provide resources to support your son.

We recognise that not all pupils can join a lesson in real time, as some households share a computer, and, as such, it is important that your son engages with his remote learning at an appropriate time each day.

As the Government provide more laptops for pupils, we will distribute them accordingly. This may take time. If you need paper copies of resources, please let school know:

office@burnage.manchester.sch.uk

Remote learning will be different to last time, as it will be delivered through Microsoft Teams [Microsoft Teams](#). If your son needs paper copies, these will be provided as lesson packs (direct copies of the online lesson) rather than a work booklet as previously.

If you have any queries of concerns about remote learning, please contact our Curriculum Deputy Headteacher, Ms Carter: h.carter@burnage.manchester.sch.uk

Some pupils have been invited to attend school and those pupils are welcome to attend on a daily basis. **However, this attendance is not compulsory.** If you are a key worker and would like your son to attend school, please contact the office email.

'Be the best you can be'

Reading

Reading in English is essential for your son's language development. Pupils who achieve the highest GCSE grades have a wide vocabulary. Your son has access to 5000 books via our MyOn subscription [myON login](#). He should have a log in for this but if he doesn't, please contact Ms Carter.

Exercise

It is important that your son gets fresh air and exercise outside of the house; however, he is only allowed to exercise with one person who is not in his household. Please ensure your son is not meeting up with groups of friends.

Year 11 and GCSE Exams

It is absolutely essential that Y11 pupils keep working hard, as we have no knowledge as yet about how grades will be assessed and awarded. Pupils should continue to work as hard as they were doing in school. We will be in touch with more details when we know.

We recognise that this is a confusing time but rest assured we are here to support you, your son and our school community through this latest period of lockdown.

FSM

If your son receives Free School Meals, we will ensure an Asda voucher is emailed / text to you for the week commencing 4th January 2021. **We will be awaiting guidance from the Government about how to proceed from week commencing 11th January 2021 to support pupils entitled to Free School Meals. However, rest assured that you will be supported here.**

We wish you all the best in these uncertain and difficult times.

K Harrison
