10th May 2021

Dear Parent/Carer,

As we approach the half term break I wanted to take the opportunity to write to parents/carers and provide some updates and information about arrangements for the end of half term, as well as wishing a happy Eid to members of our school community celebrating Eid al-Fitr this week. Please do remember your son will get a religious observance authorised absence day for any Eid celebrations.

Firstly, I would like to thank all parents, carers and pupils for their on-going support during this difficult time, which has once again been a challenge due to the on-going Covid-19 pandemic. However, it has been wonderful to have all pupils finally accessing their learning back in the building, the atmosphere has been excellent with a real purpose around the academy.

Onsite Lateral Flow Testing was a success and all pupils who took part in the programme are now receiving their home testing kits. Year 11 have also been working incredibly hard in their final weeks here to complete assessments in class in order to ensure that they achieve the best grades they can this year.

As part of our ongoing community work we are also partnering with the Burnage Food Bank over the next few weeks to provide them with extra support. Please look out for this appeal in our communications home if you wish to take part in this charitable event.

Half term will end for the school on Thursday 27th May 2021; with the 28th May 2021 being an in-service training day where staff will moderate and ensure accuracy of Year 11 GCSE grading before the Leadership carry out final moderation of awarded grades.

This will also coincide with Year 11 leaving us on this day. We will of course be continuing to offer support and classes throughout June and July linked to the transition to college for students, including 'A' Level taster lessons, transition support for pupils in need of extra guidance and focussed career work for those pupils who require help in planning their post-16 pathway.

'Be the best you can be'

We would like to share with parents and carers that we are incredibly proud of the efforts of our Year 11 pupils and the support from home that we have received. The year group have shown real resilience in the face of the pandemic, working tirelessly to achieve their potential. We would also like to thank the teachers of Year 11, who have shown incredible effort to date in marking and assessing significant amounts of work towards the Year 11 GCSE grades.

Finally, we would like to wish our Year 11 pupils all best in the future once they have left us and remind them that their final day with us on the 27th May 2021 should be a day of joint celebration of all our efforts, with high standards of behaviour and respect being shown to the wider school and community on that day.

Kind regards,

Yours sincerely,

Karl Harrison
Headteacher

'Be the best you can be'
