22nd November 2021

Dear Parent / Carer

As we move towards winter, we are taking a number of measures to help prevent the spread of Coronavirus, including:

- Encouraging all staff to test regularly, to minimise the risk of our teachers giving your child or other children Covid;
- Ensuring our staff and children practice good hygiene;
- Making sure our spaces are well ventilated; and;
- Encouraging all members of our community to isolate and book a [PCR test](#) should they develop symptoms of the virus.

We are also asking all parents to encourage their son to test regularly and to report each result.

Up to one in three people who have COVID-19 can spread the virus without knowing. This is because they have no symptoms. We are therefore asking all parents to encourage their children to test on a Sunday and Wednesday evening and help us to keep school safe.

Your son will be able to collect home test kits from their Form Tutor and bring them home with them - each week. Please ask your son if they have received these and help them to take the test and report their results. Testing is free of charge.

The tests will come with guidance in multiple languages on how to take the test. You can also see this useful video to show you [how to take the test](#) - tests usually take a few minutes to do and you get the results in 30 minutes. Then all you need to do is to report the result to:

- NHS Test and Trace: <https://www.gov.uk/report-covid19-result>

'Be the best you can be'

Financial support is available if your son tests positive and you need to self-isolate

If you are unable to work due to your child having, or displaying symptoms of, COVID-19, you may be entitled to a one-off payment of £500 through the [NHS Test and Trace Support Payment scheme](#) if you are required to stay at home and self-isolate.

You will be eligible if you live in England and meet all the following criteria:

- you have been asked to self-isolate by NHS Test and Trace, including by the NHS COVID-19 app
- you are employed or self-employed
- you cannot work from home and will lose income as a result
- you are claiming at least one of the following benefits:
 1. Universal Credit
 2. Working Tax Credits
 3. income-related Employment and Support Allowance
 4. income-based Jobseeker's Allowance
 5. Income Support
 6. Pension Credit or Housing Benefit

By testing your child twice a week, you will help us to reduce transmission of Coronavirus, keep your son in school and help minimise disruption to his education.

Please contact Mr Shepherd, our COVID Coordinator, if you have any questions or concerns about home testing.

Thank you for your support with this.

Karl Harrison

Headteacher
