Dear Parents and Carers,

Parental Engagement Survey

We recently invited you to complete a parental engagement survey with the aim of strengthening the partnership between school and family. We would like to thank the 61 parents and carers who took the time to share their views.

Please take a few minutes to read about our findings and outline some of the changes we are making as a result.

Key findings:

- Our current communication scored well at 7.5 out of 10 on average
- 40% of respondents made suggestions for improving our parental engagement
- Information about academic progress and behaviour was the most requested
- Electronic methods of communication (text, email, MyED app) scored most highly in terms of preference
- 80% of respondents were interested in attending school events

In response to the above, and detailed comments from some parents and carers, we will be taking action to develop and improve the way we communicate with you.

School actions:

- Ensure our contact details for parents and carers are up-to-date
- Provide parents and carers with login details for Class Charts, our behaviour monitoring tool
- Share our updated school newsletter on a regular basis
- Form a Burnage Parent Group and host an initial virtual meeting
- Review our KS3 academic progress reporting

'Be the best you can be'

We value your feedback and will always welcome your comments as we continue to shape the way we work with parents and carers. The challenges of the pandemic have affected communication for all everyone; we hope that we will soon be able to meet and speak face-to-face.

If you would like to discuss any aspects of parental engagement further, please contact Becci Wadeson, Assistant Headteacher, on r.wadeson@burnage.manchester.sch.uk or contact the school reception on 0161 4321527.

Yours sincerely,

K Harrison

Karl Harrison
Headteacher

'Be the best you can be'
